**Cabin Placement:**

Remember, camp is a place for friends, NEW and old! Please make note of the following, and use the spaces below to make any requests for cabin mates your son may have for us to consider. Thanks.

1. Although we will gladly consider requests made for cabin mates, **WE MAKE NO GUARANTEES!** Careful consideration is given to group and individual personalities, geographical diversity, length of stay, and prior experience at camp as well as cabin requests. Individualized weekly schedules and daily free periods afford constant opportunities for campers to spend time with new friends or old who are living in different cabin groups.
2. There are two opportunities to make cabin requests; on this form below and on the Camper Biography Form you will receive in the Spring. Requests made in the Spring will be regarded as addendums to those made on this form.
3. Campers who make more than one request are more likely to have a request honored than campers who make only one cabin request.
4. Please do not assume that requests from prior summers will be carried forward. Renew requests each summer.
5. Requests NOT to be with other campers are strongly discouraged since kids' behavior at camp is often very different from their behavior at home, and because kids can change & mature so dramatically from one summer to the next. We ask our parents to "take a deep breath," and trust us and your kids to create a fun, safe, and harmonious cabin environment. We cannot guarantee "disrequests." Thank you.
6. Cabin requests made after May 15<sup>th</sup> will not be included in the cabin placement process.
7. Cabin groups will not be disclosed prior to the campers' arrival at camp. Please don't ask before then. Thank you.
